Students with Special Needs

Please note that some students with special needs are provided with an individualized program to meet their needs. Their programs, including the evaluation and reporting procedures, may differ from those described in these pages. The teachers, in collaboration with the school's resource department, develop Individual Education Plans (IEPs) that outline the individualized programs, strategies implemented as well as resource support measures.

Please note that you will receive the following official communications during the school year:

**Changed to reflect new Ministry Directives announced on October 8, 2020.*
